

## *Arizona School Tax Credit*

**It's a win-win for you and our school.** The State of Arizona has a law that benefits taxpayers and school children alike. A.R.S. 431-1089 allows a tax credit of \$200 for individuals and \$400 for married couples, filing jointly, for fees or donations paid to a public school in support of extracurricular activities. And you don't have to have a child in the school district to benefit from the tax credit program.

**How it works.** The tax credit reduces your tax liability by the amount you donate. If you donate \$400, you reduce your Arizona state tax bill by \$400. If you expect a refund, it will be \$400 higher. If you don't pay state income tax, you can't reduce your liability below \$0. The form you use for this credit is Arizona Income Tax form 322.

**There are so many programs in need of support.** In the past few years, taxpayers helped cover the costs of field trips, admission to plays, zoos, parks, museums, music, art and physical education programs. Simply put, tax credit donations make possible a wide range of learning opportunities that our children would not otherwise have. Remember, you don't have to have a child in the school to benefit from this tax credit.

**You must save your receipts for tax purposes.**
