Dear K-3 Parents,

This letter is to provide you with information on Arizona's *Move on When Reading* (MOWR) legislation and the importance it places on your child's ability to read at or above grade level by the end of 3rd grade. **Arizona Revised Statute §15-701 states that if a student scores below the cut score on the reading portion of the 3rd grade AzMERIT exam, he/she will not be promoted to the 4th grade until sufficient progress is made to demonstrate that the student is reading proficiently.**

There are four exemptions to retention in ARS §15-701. In accordance with the law, a school district governing board or the governing body of a charter school is permitted to promote a student who fails to meet the cut score on the reading portion of the 3rd grade AzMERIT exam for any of the four following reasons:

- (i) A third grade student is an English Language Learner or is Limited English Proficient and has received fewer than two years of English instruction; or
- (ii) A third grade student with disabilities has an individualized education plan (IEP), and the IEP team, which includes the student's parent/guardian, agrees that promotion is appropriate; or
- (iii) A third grade student is in the process of a special education referral or evaluation for placement in special education and/or students that have been diagnosed as having a significant reading impairment, including dyslexia; or
- (iv) A third grade student has demonstrated or subsequently demonstrates sufficient reading skills or adequate progress towards sufficient reading skills of the 3rd grade reading standards as evidenced through a collection of reading assessments approved by the State Board.
